## Trick or Trash Halloween Scavenger Hunt

### Casper the Friendly Ghost edition

Instructions: On a spooky Halloween day, put on your costume and pick up trash wherever the crow flies. One should check out any forests or streams nearby because that is where the howling wind blows trash. Cleaning up your neighborhood ensures that Casper the Friendly Ghost will be able to visit all his animal and insect friends this Hallow's Eve. Friends of Casper are encouraged to pick up items from the list and anything else along the way. Be careful of glass, make sure to wear gloves, and wash your hands afterwards!
