

The annual Keep Nebraska Beautiful Conference provides passionate community leaders with a chance to learn about the latest developments in waste reduction, recycling, beautification, and litter reduction.

The theme for this year's conference is "Without a Sense of Caring, There Can Be No Sense of Community"

We all work hard each day to meet our community's needs and sustain our programs, but what will Nebraska look like one year from now, or 10 years from now? How can our programs meet the needs of our changing communities and environment? We look forward to seeing you in Lincoln to discuss these questions and more!
